SUMMARY

Innovative and results-driven Software Developer with [1] years of experience in designing, developing, and implementing software solutions across diverse industries. Adept at leveraging modern technologies and programming languages, including [*C,Flutter(Dart),,Html,Css,Javascript,Java*], to create efficient and scalable applications. Proven track record in full software development lifecycle, from requirements gathering and system design to deployment and maintenance. Strong problem-solving skills and a collaborative team player with a passion for learning new technologies and improving processes. Committed to delivering high-quality software that meets and exceeds client expectations.

SKILLS

- **Programming Language**: Dart, C, Javascript,Python,Java.

- **Web Development** : HTML,CSS,Javascript.

- **Database Management System** : MySQL.

- **Problem Solving And Critical Thinking**

WORK EXPERIENCE

Software Development Intern - ANTHROPIC SOFTWARE PVT LTD
Belagavi, India |2022 – 2023

- **Class Record Management Application**: Developed a comprehensive application designed for students and teachers to efficiently manage class records, timetables, and study materials.

- **Dopa Net Vendor Application**: Created a cross-platform app that allows businesses to display their advertisements on Dopanet, a network providing free Wi-Fi access.

- **Technologies Used***:* Flutter (Dart) for cross-platform mobile application development.

EDUCATION

Master's Degree | Master of Computer Application | R V Institute of Technology And Management Bengaluru.
(2023-2025)

Bachelor's Degree | Bachelor of Copmuter Application | RLS BCA College:KLE's BCA College Belagavi.
(2019-2022)

Pre-University (PUC) | PCMB Combination | Alvas PUC College of Moodbidri.
(2016-2018)

High School Edu | SSLC | Oxford School Bailhongal.

PROJECT EXPERIENCE

Hospital Management Application
Belagavi, India |2022 – 2023

- Developed a comprehensive application facilitates efficient management of hospital operations, including patient records, appointment scheduling, and staff management.
- Designed a user-friendly interface using HTML, CSS, and JavaScript for the frontend and MySQL as the backend database that ensures seamless navigation and accessibility over the internet, allowing users to access the system from any location.
- The application also includes secure login features and role-based access controls, ensuring that sensitive information is protected.

Vendor Application
Belagavi, India |2022 – 2023

- Created a cross-platform application using Flutter and Dart that displays targeted advertisements via the DopaNet platform that allows vendors to promote their products and services through strategically placed ads tailored to user interests.
- Leveraging the power of Flutter, the app offers a seamless and responsive user experience across multiple devices. The integration with DopaNet ensures that advertisements are relevant and effective, increasing user engagement and vendor visibility.
- The project demonstrates strong skills in mobile application development and third-party API integration, delivering a robust solution for vendors to reach a broader audience.

HONORS/AWARDS AND CERTIFICATION

Academic:

- **Coding Competition Winner**: Secured [3rd place] in [PRODYJY] held by [Jain Institution].

- **Best Project Award:** Honored for outstanding project work in [Health Care Project].

Certifications & Training

- **CISCO Certified –** IOT Certificate
- **DUKE University Certified** – Frontend Developer Certificate
- **Microsoft Certified** - Basic to Advanced Microsoft Power BI Certificate
- **Workshop :** "Build Your Digital Profile : LinkedIn,Portfolio & Github-July 2024" organised by CodeXplorers Club.

Interests

- Listening to music, learning more spirituality, reading books and paying games.

Personal Details

Fathers Name : Mr.Sanjeevkumar Chanal
Date of Birth : 01-06-2000
Gender : Male
Marital Status : Single
Nationality : Indian
